VARIOUS PROFESSIONAL SERVICES, INCLUDING NETWORK ADMINISTRATION I & II, DATABASE SERVICES, GIS SERVICES I & II – OIT

The following bids were received on July 29, 2014 and taken under advisement:

	True North Murf., TN	Pomeroy Nashville	Presidio Brentwood	Wiser Murf., TN	CoreBTS Franklin
1. Net. Adm. I	-0-	$125	$115	$93	$135
2. Net. Adm. II	-0-	$165	$150	-0-	$165
3. Database Ser.	-0-	$150	$175	-0-	-0-
4. GIS Ser. I	$84	-0-	-0-	$67	-0-
5. GIS Ser. II	$120.75	-0-	-0-	$76	-0-

Brian Robertson said he and his team had thoroughly reviewed all bids received and would be making a recommendation for the main vendor and a secondary vendor to be used in the event the first one is unavailable. All bidders had agreed to be the back-up vendor if chosen as such.

For Network Administration I & II, the low bid was submitted by Wiser Co.; however they are not a Cisco Gold Partner and that is a requirement. Cisco is the provider of all our network and internet systems. Mr. Robertson recommended Presidio for the primary vendor for both and Pomeroy as the secondary should or if we need them.

"Commissioner Black moved, seconded by Commissioner Ealy, to approve Mr. Robertson's recommendation for Presidio as the primary vendor and Pomeroy as the secondary. The motion passed unanimously."

For Database Services, Mr. Robertson recommended Pomeroy as the primary and Presidio as the secondary. He's worked with Pomeroy in the not-so-distant past and was pleased with their work and they meet all specs.

"Commissioner Cook moved, seconded by Commissioner Shafer, to approve Mr. Robertson's recommendation for Pomeroy as the primary and Presidio as the secondary for Database Services. The motion passed unanimously."

For GIS I & II, Mr. Robertson said True North has been the provider, but he would like to recommend the low bidder, Wiser Co., as the primary and True North as secondary. Wiser Co. is locally owned and operated and is a very reputable business.

"Commissioner Black moved, seconded by Commissioner Ealy, to approve Mr. Robertson's recommendation and award the primary bid to Wiser Co. and secondary to True North. The motion passed unanimously."

2. MWI Veterinary Supply, Boise, ID
3. Merritt Veterinary Supplies, Columbia, SC
4. Patterson Veterinary, Pelham, AL

Mr. Michael Gregory requested the bids be taken under advisement so he can provide a spreadsheet comparing the bids for the Purchasing Committee at its meeting on August 27, 2014. He advised he will be out of town but will submit his recommendation to Vicki Taylor and send a representative.

"Commissioner Shafer moved, seconded by Commissioner Cook, to take the bids under advisement. The motion passed unanimously."

¾ TON CHASSIS WITH EXTENDED CAB – PAWS

1.	Russell Barnett Ford, Winchester, TN	Ford F250	$22,553.02
2.	Beaman Automotive Group, Nashville	Ford F250	$22,353.00
3.	Golden Circle Ford, Jackson, TN	Ford F250	$22,030.00
4.	Chev-Buick-GMC-Cad. Of Murf.	Chevrolet Silverado	$24,774.36
5.	Ford of Murfreesboro	Ford F250	$22,140.00

Mr. Michael Gregory reviewed the bids thoroughly and said the Ford of Murfreesboro bid included $125.00 for 4 upfitter switches that he does not need; therefore, if you take $125.00 out of the $22,140 submitted by Ford of Murfreesboro, that makes their bid $22,015, which is the lowest bid and a local company.

"Commissioner Cook moved, seconded by Commissioner Black, to award the low bid to Ford of Murfreesboro for a Ford F250 at $22,015 (which is minus the 4 upfitter switches). The motion passed unanimously."

COMPUTER-ASSISTED MASS APPRAISAL (CAMA) SYSTEM – ASSESSOR OF PROPERTY

1. Patriot Properties, Inc., Marblehead, MA

Annual Cost for 5 Year Term	$99,000.00
Yearly Maintenance after 5 Yr Term (Starting on Yr 6)	$55,000.00
Cost over 10 Years	$787,002.47

2. E-Ring, Inc., Alpharetta, GA

Whole County Pricing	$250,000.00
Yearly Maintenance Cost	$ 75,000.00

Mr. Rob Mitchell, along with Brian Robertson, Barbara Marlin, and Darin Moore, reviewed each bid and reported back that Patriot Properties is the low bid overall. When they figured up the projected ten year cost for E-Ring, the total was $947,008.05 which is higher than $787,002.47 bid by Patriot. Also, Patriot Properties is the preferred vendors for Davidson, Hamilton, Loudon and many other Tennessee counties. They are well versed with GIS and meet all specifications. Therefore, it was Mr. Mitchell and OIT's recommendations to award the bid to Patriot Properties.

"Commissioner Shafer moved, seconded by Commissioner Cook, to award the bid to Patriot Properties. The motion passed unanimously."
