Commissioner Farley~

At the August 27th Public Safety Meeting (last night), I completely forgot to ask permission to apply for a Title 1, Neglected and Delinquent Program grant for the R.C. Juvenile Detention School. This grant has no matching funds. This federal grant is for approximately \$100,000 and comes through the Tennessee Alliance for Children and Families. This money is for educational programming, drug and alcohol counseling, career counseling, specialized curriculum, assessments, and all sorts of supplies/materials. This grant money can also be used for additional educational personnel.

I met with Mayor Burgess today and shared this same information with him. He is supportive and agreeable for this to go to Budget and Finance on September 6th if you are also okay with it.

Again, I apologize for failing to bring this front of Public Safety.

Lynn S. Duke, Director
Rutherford County Juvenile Detention
