TO: HONORABLE MEMBERS OF THE RUTHERFORD COUNTY BOARD OF COMMISSIONERS

Attached is the regular monthly report of the Rutherford County Health Department encounters, by program, for February and March.

I have also included a flyer with pictures of recent staff award winners for Public Health week, request for funds to be transferred for maintenance of buildings as well as my proposed budget request for 2014-15.

I am also pleased to announce that Rutherford County has again been ranked 2nd healthiest state by the national health rankings of all Tennessee counties. In July I hope to have a full report to share with you in more detail about our rankings and how we can strive for 1st. If you would like to review the report you can find it at this link:
