Funding Request – Design and Site Work for Smyrna Schools

The School System will bring forward a request to approve the funding of \$900,000 for the design the new middle school to be built in Smyrna, \$1,200,000 for the site work, and \$800,000 for site work on the adjoining elementary school site. This approval is needed so that the middle school can open in August 2017. Also the site work and pad preparation for the elementary school site need to be done at the same time as the middle school site work.

Recommended motion -- to approve \$2,900,000 in funding for the new Smyrna schools, \$900,000 for the design the new middle school, \$1,200,000 for the middle school site work, and \$800,000 for site work on the adjoining elementary school site as presented.
