Recently I received information regarding your outstanding job performance. In July, 2016, Evidence Supervisor Dowell was out on leave for several weeks. You were left in charge of the evidence room during that time. You were extremely busy with your daily assignments but also took on the administrative responsibilities of Crpl. Dowell which included status reports and inventory control. You exceeded his expectations when you came on board and have been a great addition to the evidence room.

I would like to take this opportunity to personally thank you for the great job you are doing. You proved that you have an extraordinary commitment to excellence and should serve as a model to others.

Recently I received information regarding your outstanding performance for your efforts with a program called "Be in the Zone, Turn off your Phone" campaign. This program is based around driver safety and reducing the number of distracted driving accidents and the importance of wearing your seat belt. You were also responsible for having a Mock Accident Scene at Central Magnet School that involved a multitude of agencies including the Highway Patrol, City Police, Ambulance Service, Fire, as well as Vanderbilt Life Flight. Actors and actresses were used to make the scene more realistic and all participating agencies responded the way they would at an actual fatality accident.

I would like to take this opportunity to personally thank you for the great job you are doing. I know that successes like this are the result of planning, practice, hard work, and sacrifice.
