Hey guys,

Just wanted to pass along to you that your medics from your transport truck (George and James) did a great job managing this patient today! Currently, the patient is still being cooled due to the fact that he was ROSC. I will keep you all up to date on his progress, Thanks.

A citizen has commended **you** for "going the extra mile". WGNS encourages listeners to let us know when they see a *public servant* compassionately and professionally doing more than what is expected of them. You are being recognized as the **Demos' Restaurant PUBLIC SERVANT OF THE WEEK!**

A listener wrote WGNS to tell how you touched their life and made a difference.

In a world when others focus on bad news, Good Neighbor Radio WGNS and the Demos family encourage residents to constantly look for police officers, fire fighters, paramedics and telecommunicators who are making a positive difference.

WGNS is proud to salute you on the radio, and the Demos family are thanking you with dinner for two (2) to enjoy at **Demos' Restaurant** (certificate does not cover alcohol or gratuity).

Again, **THANK YOU** doing an outstanding job!

Sincerely,

Bart Walker
