Dear Chief Farley;

A few weeks ago one of our Wilson County Emergency Management Agency (WEMA) employees, Mrs. Cassandra Childree, lost her young son Ethan in a tragic accident. His father Mr. Jeremy Page is also a former WEMA employee.

The work that our WEMA employees, and all emergency services personnel, share creates a tight-knit family atmosphere. Naturally, a large number of her co-workers wanted to attend Ethan's funeral services to show support and respect for Cassandra, Jeremy and their entire family. But emergency services must be provided no matter the circumstances, as you well understand. Your organization's assistance by providing stand-by services on June 25th made it possible for our WEMA employees to attend the services. I know you well understand what this meant to the Cassandra, her co-workers, and the family.

I would like to take this opportunity to express our appreciation on behalf of Wilson County Government and its citizens. Please do not hesitate to call on us should your organization need this type of support in the future.

Thank you again.

Sincerely,

A handwritten signature in cursive script that reads "Randall Hutto".
