On September 8, 2013 paramedic Casy Horn and Emt-iv Jonathan Renberg responded to my home in Milton, Tennessee. Their rapid response and caring attitude is a asset to the Rutherford County Emergency Medical Service. Their rapid diagnoses of my condition and appropriate treatment helped stabilized me. I would like to commend both of these men on there excellent patient care and caring attitude .

As a captain with the San Diego City Fire Rescue department I supervised many Emts and Paramedics over my 35 year career. Being on the patient side of the EMS was very difficult for me. I am very grateful to the Rutherford County Emergency Medical Service and these two fine employes.

Captain  San diego Fire Rescue Department Retired

Chris,

I wanted to send a big thank you for your assistance with helping with the WEMA Director assessment process. I know how busy each of you are and the sacrifice that you gave to assist Mayor Hutto and myself with this important project. I think the process has been good and I am confident that the Mayor values your assessment of the candidates, as well as the feedback that was given throughout the days.

Again, thank you for your help. I look forward to continuing to work with you all in the future.

Kevin
