Memorandum

To: All Contract Agencies/Counties
From: Rutherford County Juvenile Detention Center
Date: 6/16/2014
Re: Contract Amendment to include PREA Language

Enclosed you will find an optional contract amendment that includes PREA language. Because our existing contract for detention beds is not “new” and is not technically a “renewal,” returning a signed copy of the amendment is completely up to your individual Agency/County.

For those of you who wish to add the PREA language to your contract, have the appropriate party sign it and return the contract to us. After our Committee process is completed and the amendment is signed we can return a copy to you. That process take about one month.

If you choose not to sign the contract amendment then you need do nothing more.

PREA can be complicated. If you have any questions please contact me and I will be happy to answer any question you may have.
