Subject: FW: Mike Anderson's funeral
Importance: High

Please see the note below from Keith. I would also like to thank everyone for your help in this difficult time for Sumner County EMS.

dd

There are no words to express the gratitude for helping to cover our county while our employees attended Mike's funeral. I was told that everything went without a hitch - which is a direct reflection on your personnel along with Dwight's ability to pull this together for us. I would estimate nearly 90% of our employees were able to attend the funeral which would not have been possible without your help.

We were able to concentrate on the funeral and consoling the family without worrying about whether things were covered back home.

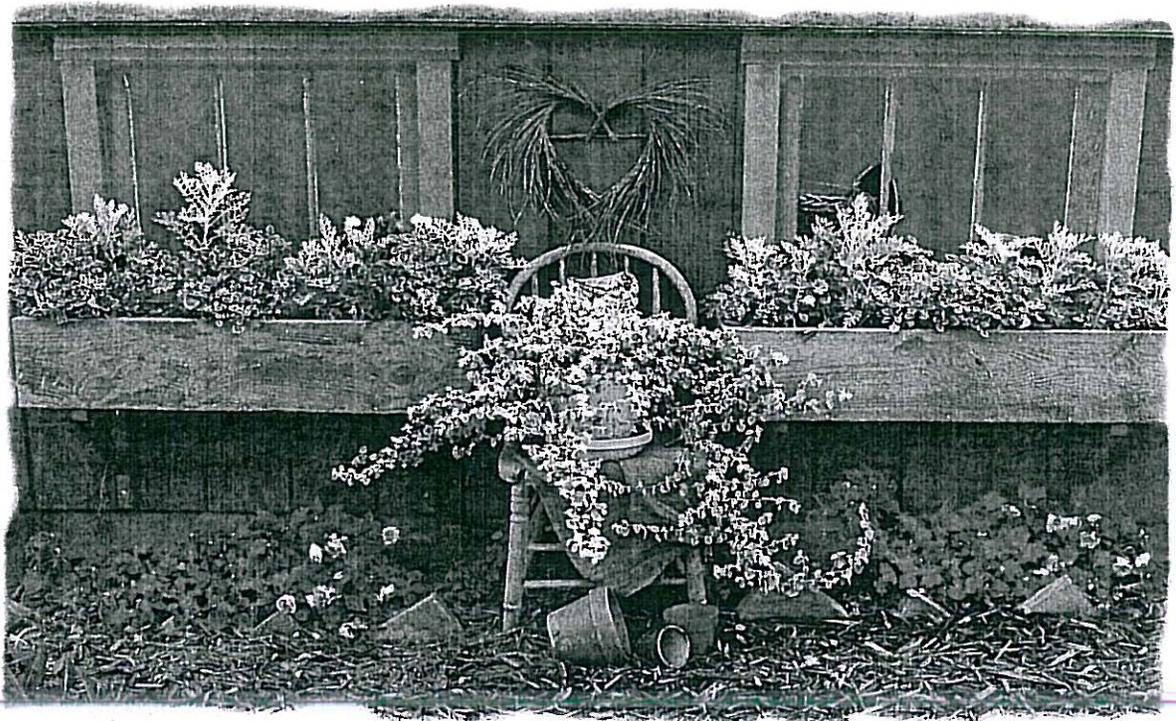

Please pass along to your staff our deepest appreciation for their assistance. If we can ever be of assistance to you or your service, please don't hesitate to call on us!

God Bless,

Keith Douglas - Director
