The Vendor further agrees it shall be liable for the reasonable cost of attorneys for the State in the event such service is necessitated to enforce the terms of this purchase or otherwise enforce the obligations of the Vendor to the State.
6. The requirements of *Tennessee Code Annotated* Sections 12-4-124 *et seq.*, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the State of Tennessee, shall be a material provision of this Authorization, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Authorization.

9. The Vendor must submit an invoice in form and substance acceptable to the State to effect payment.
10. The Vendor expressly agrees to waive any and all payment for services rendered pursuant to this Authorization if the Vendor fails to deliver to the State the invoice for said services as required and within three hundred and sixty-five (365) days immediately following the end date of this Authorization.

14. If the Vendor is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Vendor Relationship involves the provision of services to citizens by the Vendor on behalf of the State, the Vendor agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Vendor shall display in a prominent place, located near the passageway through which the public enters in order to receive Vendor Relationship supported services, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

All services must be appropriately documented at the time the service is provided. Data concerning service encounters and services rendered is then entered into the State's data system to effect payment for services that have already been provided. The State shall not be responsible for the payment of services which have not been documented. If there are any discrepancies found between services billed for and services documented, the State reserves the right to withhold future payments and pursue any remedies permitted it by State or Federal law until the matter is resolved.
18. Pursuant to Tennessee Code Annotated §33-10-103, all individuals who receive alcohol or drug abuse services should be required to pay the reasonable cost of counseling, assistance, treatment or rehabilitation furnished to them. However, no one should be refused assistance by programs or facilities funded in whole or in part by the State because of inability to pay for such services. "Reasonable Cost" is set by the Vendor based on one hundred thirty-three percent (133%) of the United States Department of Health and Human Services Federal Poverty Guidelines and represents the difference between the State's reimbursement rate and the Vendor's established rate.
19. If at the time of evaluation and monitoring a Vendor is found to be non-compliant with any policy or procedure as prescribed by the State, the Vendor will create and implement a Corrective Action Plan approved by the State and a follow-up visit will take place to assure resolution and compliance with the program.

33. The Vendor shall develop, implement, and maintain written organized policies and procedures; and create and maintain a written Policies and Procedures Manual. The Vendor shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified.

- 35. [THIS SECTION SHALL ONLY BE APPLICABLE IF THIS AUTHORIZATION IS FUNDED IN WHOLE OR IN PART BY A FEDERAL GRANT OR CONTRACT OF \$25,000.00 OR MORE AND THIS AUTHORIZATION PROVIDES FOR THE EXPENDITURE OF \$25,000.00 OR MORE IN FEDERAL FUNDS] Federal Funding Accountability and Transparency Act (FFATA). This Authorization requires the Vendor to provide supplies and/or services that are funded in whole or in part by federal funds that are subject to FFATA. The State will not be obligated to pay any outstanding invoice received from the Vendor unless and until the Vendor is in full compliance with the above requirements.

36. The Vendor certifies, to the best of its knowledge and belief, that:
- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

37. The parties hereto, in the performance of this Vendor Relationship, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Vendor Relationship shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- The Vendor, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Grantee's employees, and to pay all applicable taxes incident to this Vendor Relationship.

Further, Vendor's personnel shall conduct their practice in conformity with all applicable statutes, rules and regulations, and recognized ethical standards of their profession. Procedures for reporting violations of the ethical standards shall be developed and communicated to staff upon hire and annually thereafter, which shall include a non-reprisal approach for persons reporting suspected violations, as well as a description of possible sanctions for violating the standards.
