

16th Judicial District Recovery Courts Report April 27, 2015

- Attached to this report is the Drug Court and DUI Court statistics for FY2015 to date.
- As reported in last month's budget request, the Tennessee Department of Mental Health and Substance Abuse Services has advised Drug Court that it will be awarded approximately \$107,500 to continue funding its operations for FY2016. Also as reported in last month's budget request, DUI Court has applied for and is awaiting word on the total amount awarded from the Tennessee Governor's Highway Safety Office's grant for FY2016. The DUI Court has asked for approximately \$105,000 from the Tennessee Governor's Highway Safety Office to fund its operations.
- The Veterans Treatment Court will hopefully begin its pilot program by the end of May 2015. As a result of Representative Dawn White's efforts, the Tennessee General Assembly has passed the Criminal Justice Veterans Compensation Act of 2015 which will provide ongoing funding for the Veterans Treatment Court here in Rutherford County. This funding is very similar to what the Drug and DUI Courts receive from the Criminal Court Clerk's office as a result of the court costs and fines associated with those offenses. It is currently unknown at this time what the specific funding amount will be as a result of this new legislation, but it is anticipated to be around \$60,000 or greater each year.
- The Recovery Support Foundation of Rutherford County, a nonprofit entity created to help support the funding/operations of this Office, has issued a \$30,000 check to help offset costs associated with this Office's operations. Thank you to all those members of the Foundation who helped raise funds to support this Office's operations.

Respectfully submitted,

Trey King, Coordinator
