

**16<sup>th</sup> Judicial District Recovery Courts Report**  
**May 18, 2015**

- Attached to this report is the Drug Court and DUI Court statistics for FY2015 to date.
- The Veterans Treatment Court will hopefully begin its pilot program by the end of May 2015. As a result of Representative Dawn White's efforts, the Tennessee General Assembly has passed the Criminal Justice Veterans Compensation Act of 2015 which will provide ongoing funding for the Veterans Treatment Court here in Rutherford County. This funding is very similar to what the Drug and DUI Courts receive from the Criminal Court Clerk's office as a result of the court costs and fines associated with those offenses. It is currently unknown at this time what the specific funding amount will be as a result of this new legislation, but it is anticipated to be around \$60,000 or greater each year.
- Veteran Service Officer (VSO) position – this individual will assist all veterans in the County related to benefits/services with the VA and will also assist Veterans Treatment Court as a Case Monitor.

Respectfully submitted,

Trey King, Coordinator
