Good Morning!

Attached is the application for appointment consideration to the Highland Rim Regional Library Board. Please note, we have changed our name to the Stones River Regional Library.

We appreciate the years Frances James served on our board but at this time she would like to have us consider a new candidate.

Kathryn Boudreau-Henry has served on several library boards, has been instrumental in working with the regional library system, remains current in the ever-changing trends in public libraries and is a noted scholar in the field of school librarianship.

We highly recommend her for the Stones River Regional Library Board representing Rutherford County.

Thank you for your consideration.
Betty Jo Jarvis
