**Re: Lisa W. Moore, Candidate for Rutherford County School Board
School District 3**

Dear Sirs,

I am writing to you to express my serious and committed interest in an appointment to our Rutherford County School Board for the open seat in District 3.

My name is Lisa Moore, I am a native Tennessean. I grew up in Oak Ridge TN and eventually moved to Murfreesboro where I have lived for over 35 years. My husband Scott and I have raised two amazing sons, Jeremy, 22 and Jacob, 13, who will both have attended either Murfreesboro City or Rutherford County Schools from kindergarten through high school by the time our younger son graduates.

Our older son Jeremy was well prepared for college. He is a senior at MTSU, works two jobs and serves in leadership roles in both his Fraternity and campus organizations. Our younger son Jacob is a straight A student and an athlete 7th grader at Whitworth-Buchanan Middle School. Between my two sons I have had a child in one of our local school systems for over 17 years. During this time I have taken advantage of the schools' welcoming parent involvement starting out as a "Room Mom" in my older son's Kindergarten class, to leadership roles in the PTO. I also had the privilege of serving on the ESP parent advisory board for the Murfreesboro City Schools from 2000-2002 at the invitation of Mrs. Peggy Seneker.

I attended MTSU with a double major in Management & Psychology. I went on to work 25+ years in the corporate arena in the roles of Manager, Regional Director to Vice President of Human Resources and Risk Management for a \$100M staffing management company. Some of my responsibilities included designing, managing and facilitating the company's training programs. Additionally, I have earned a Six Sigma certification, completed the Judicial Program of the IAIABC's national Workers' Compensation College, along with several accredited trainer certifications, (insurance and HR auditor and claims arbitrator and others.)

I have also been an active contributor to our community by participating as an Evening Exchange Club Member and on their Board for the Center for the Prevention of Child Abuse. I am a graduate of Leadership Rutherford and a member of the Rutherford County Chamber of Commerce. I have served several years in the Children's Ministry at World Outreach Church.

I hope you share my perspective that non-educator School Board members can contribute a distinct and valuable level of diversity to the Board's work. I believe that career professionals such as myself who have personally benefitted from a quality

education and who is committed to the same for the students in Rutherford County, would be considered an asset to the Board.

Thank you for considering my application for the District 3 appointment. I welcome any questions and further discussion as you work through the appointment process.

Respectfully,

Lisa W Moore
