Reason for Serving Continues

...to use my gifts: talents in an attempt to improve the lives of all Rutherford Countians through this volunteer service. I was serving as Rutherford County's first Director of Finance when the folks from the Governor's office and Nissan approached us with a desire to locate here. I was involved in those original negotiations and my observation, relative to the IDB, was it was a group of citizens who had the interest of our county in mind as they wanted to 'hammer out' the best deal for everyone involved. So my conclusion was I would be honored to become a part of the IDB. Having served terms I will appreciate the commission allowing me the opportunity of serving another term.
