(Please see instructions on back.)

1. Application forms for various boards and committees recommended by the Steering Committee may be turned into the County Mayor's Office any time prior to the Steering Committee meeting or the application may be given to the Steering Committee Chairman the night of the Steering Committee meeting.

It is suggested that applicants turn in their applications as far in advance of the Steering Committee meeting as possible so that Steering Committee members have as much time as possible to review each application, resumes and related information.

2. The Steering Committee may or may not make a recommendation to the full Commission and any commissioner may nominate a person from the floor regardless of whether or not that person had filled out an application.
3. If no applications are received by the Commission meeting, then the process will roll over to the next month.
